

Superior Copper Corporation is a Canadian-based exploration company focused on base and precious

metal exploration and is currently listed on the TSX-Venture Exchange under the symbol SPC. The Company's primary objective is to target highly prospective and underexplored mineral properties, particularly copper, in order to meet the continual global demand. Its primary land position is its 100%-owned Superior Project, which covers roughly 39,015 acres, and is located approximately 85 km northwest of Sault Ste. Marie, Ontario.
